

DATES: The solicitation will be available November 1, 1995. Applications must be received by January 16, 1996.

FOR FURTHER INFORMATION CONTACT: Eric Hass and/or Doug Hooker at the U.S. Department of Energy Golden Field Office (NREL), 1617 Cole Boulevard, Golden, Colorado 80401, (303) 275-4728 for referral to appropriate DOE Regional Support Office or State Agency.

SUPPLEMENTARY INFORMATION: In 1995 the Department of Energy contributed \$6.2 for this program. Fourteen projects were selected for funding.

Availability of Fiscal Year 1996 Funds

With this publication, DOE is announcing the availability of up to Six million dollars in grant/cooperative agreement funds for fiscal year 1996. The awards will be made through a competitive process. In response to the solicitation, a State agency may include up to 10 percent, not to exceed \$25,000 per project, for State agency program support. Size of grants including State agency program support may range up to \$425,000. Projects may cover a period of up to 3 years.

Restricted Eligibility

Eligible applicants for purposes of funding under the program include any authorized agency of the 50 States, the District of Columbia, the U.S. Virgin Islands, the Commonwealth of Puerto Rico, and any territory or possession of the United States. For convenience, the term State in this notice refers to all eligible State agency applicants. Local governments, State and private universities, private non-profits, private businesses, and individuals, who are not eligible as direct applicants, must work with the appropriate State agencies in developing projects and forming participation arrangements. DOE strongly encourages and requires these types of cooperative arrangements in support of program goals.

The Catalog of Federal Domestic Assistance number assigned to this program is 81.105. Up to \$6 million in Federal funds will be made available by DOE for this effort. Cost sharing is required by all participants. The Federal Government will provide up to 45 percent of the funds for the Project. The remaining funds must be provided by the eligible applicants and/or cooperating project participants. Cost sharing, by industry/State partners, beyond the 55 percent required match is desirable. In addition to direct financial contributions, cost sharing can include beneficial services or items, such as manpower equipment, consultants, and

computer time that are allowable in accordance with applicable cost principles. Industrial partners are required for a proposal to be considered responsive to this announcement and eligible for grant consideration. A State agency application signed by an authorized State official is required for a proposal to be responsive.

Evaluation Criteria

The first tier, administrative review will occur at the appropriate DOE Regional Support Office. Applications will receive technical and final evaluation review by a panel comprised of members representing DOE's Office of Energy Efficiency and Renewable Energy. More detailed information is available from the U.S. Department of Energy Golden Field Office at 303/275-4728.

DOE reserves the right to fund, in whole or in part, any, all, or none of the proposals submitted in response to this notice.

Issued in Golden, Colorado, on September 21, 1995.
